ZICO IP in Thailand

The ZICO IP practice in Thailand is led by highly experienced and energetic IP professionals who provide practical, strategic, and holistic IP solutions to protect your valued creativity and innovations.

Our IP team in Thailand is specialised in IP practice not only in Thailand but also Cambodia, Laos, Myanmar, and Vietnam (CLMV). We combine local knowledge and experience with an international approach to focus on providing tailored IP services that suit our clients' particular requirements.

With ZICO offices strategically placed throughout ASEAN, we are also able to assist clients beyond CLMV. All ZICO IP teams consist of top-ranked IP practitioners whose expertise embrace all facets of IP, from registration, litigation and enforcement to transactional advice.

ZICO IP is a member of ZICO, an integrated network of multidisciplinary firms providing professional services and solutions.

Why us ?

We offer our clients a full service IP practice, including patent drafting and IP litigation in Thailand. We are trusted to represent renowned local and international corporations from a wide range of sectors including automotive, pharmaceutical and medical, biotechnology, consumer products, food and beverage, luxury goods, oil and energy, IT and telecommunications, financial services, insurance services, publishing and media, entertainment and hospitality.

Some of our engagements include:

- Managing trademark portfolios for a global insurance company in Thailand, Cambodia, Vietnam, and Myanmar
- Engaged by a Thai government agency in a copyright infringement matter filed by a foreign researcher with the Central Intellectual Property and International Trade Court.
- Representing a leading local beer and beverage company in trademark opposition actions against trademark squatting in several countries.
- Advising a leading oils & gas company in Thailand for IP commercialisation and cross-border technology transfer projects
- Representing a leading US hair clipper manufacturing company to development and implement an efficiency anti-counterfeiting campaign in Thailand. The project includes identifying sources of the fake goods, sending 'Warning Notices' to the targeted shops and develop border control measures with Thai Customs.

“They know my concerns and serve me with service beyond my expectation with controllable cost.”
