About ZICO Asset Management

ZICO Asset Management is a manager and advisor of private and financial assets for high-net worth individuals, businessmen, entrepreneurs and family office clients in ASEAN member countries.

With a team of highly experienced professionals, we provide concise and insightful solutions that ensure our clients receive the best outcome possible for their personal and family wealth in today's fast changing world. We are the only asset manager who can work on our clients' entire asset portfolio from private businesses, bank assets and the most important asset of all – their families.

We have a Capital Markets Services licence in Fund Management issued by the Monetary Authority of Singapore. As part of ZICO Group, we have the ability to combine a suite of multidisciplinary services with our depth of financial markets capabilities, empowering us to provide integrated solutions across ASEAN member countries.

Why us?

Our team of strategists, asset managers and portfolio advisors help clients navigate their portfolios to optimise their holdings. We hold a broader view of the markets and investment ideas available to clients.
