## Why us?

ZICO Trust Limited has been in operation in the Labuan International Business and Financial Centre (Labuan IBFC) since 1996 as a licensed Labuan trust company, regulated by the Labuan Financial Services Authority.

As one of the pioneers in this jurisdiction, we are regarded today as a leading provider of trust company and trustee services in Labuan IBFC. Our experienced and professionally qualified trust officers are well equipped to provide our clients with international standards of efficiency, integrity and confidentiality.

ZICO Trust is a member of ZICO Holdings Inc. (ZICO), an ASEAN-focused integrated provider of multidisciplinary professional services that is listed on the Catalist board of the Singapore Exchange. This network allows our clients to capitalize on opportunities in 8 ASEAN member countries and benefit from a one stop shop capacity through ZICO's multidisciplinary professional services, regional capabilities and local insights.

Since the Malaysian Government designated Labuan as a tax-efficient offshore centre in 1990, the Labuan IBFC has grown steadily to offer a wider range of business-friendly legal entities and structures for global business and private wealth management. As a member of international organisations like the Asia Pacific Group on Money Laundering, International Organisation of Securities Commissions and Islamic Financial Services Board, Labuan IBFC has gained a reputation as a jurisdiction that focuses on high compliance and anti-money laundering standards.

Its strategic location in Southeast Asia coupled with its modern laws, positions Labuan to be one of the preferred financial centres of the Far East.
