A multidisciplinary integrated services platform

ZICO’s foundations are ZICO Holdings Inc., an ASEAN multidisciplinary professional services firm listed on the Catalist of Singapore Exchange Securities Trading Limited (SGX-ST). Recognized for our innovative hybrid business model that prioritizes convergence and our client's needs, we provide streamlined and cost effective one-stop solution for integrated services.

The Group’s clientele include governments, government-linked companies, global multinational corporations, multi-ASEAN companies, public listed companies, private companies, small and medium enterprises, family offices, and high-net-worth-individuals.

Our Mission

At ZICO, our commitment revolves around fostering enduring connections and trust with our clients. The essence of our approach is captured in the phrase **“Building Trusting Relationships through Innovative Solutions.”** We prioritize your needs, emphasizing open and transparent interactions to establish a foundation of trust. Our dedication to innovative solutions reflects our agility and a commitment to delivering personalized services that go beyond the ordinary. With a profound understanding of the intricacies within the ASEAN market and a strategic presence in key countries, we aim to be your reliable partner.

We believe in ASEAN.

“We believe ASEAN is a major economic force and a driver of global development. We believe our origins, capabilities and behaviors can significantly help people, places and ideas connect, contributing positively to ASEAN’s overall development that will benefit all.”

Services throughout your company’s business life cycle

A hub of integrated services: from market entry to exit, we deliver leading-edge solutions to help our clients grow, take-off into emerging economies, and defend against risks, thereby consolidating our regional position within the ASEAN market.
