

ZICO

---

## Background

ZICO is a regulated Capital, Trusts, Assets and Wealth Management platform operating across ASEAN. With a strong track record as trusted advisors, ZICO also provides complementary services such as corporate finance advisory, consulting, share registry services, legal advisory & insourcing, and Shariah-aligned services to family offices, institutional investors, corporations, and high-net-worth individuals.

Since our inception, we have leveraged our regional expertise, local insights and pioneering mindset, earning the confidence of our clients as trusted advisors while establishing a reputation as innovators in the business community. With over three decades of innovation and growth, along with a significant presence in the region, we aspire to be the 'go-to' professional services provider.

# “Global First”

Financial Times, June 2015

## A Focused, Regulated Wealth and Capital Markets Platform

Listed on the Catalist Board of the Singapore Exchange Securities Trading Limited (“SGX-ST”) since 11 November 2014, the Group offers its clients collective expertise derived from its professionals and consultants, led by a management team of Executive Directors who have deep domain expertise in the professional services industry.

The Group’s clients include financial institutions, private and public listed companies, multinational corporations, family offices, ultra-high-net-worth individuals, and state-owned enterprises.

## Our Mission

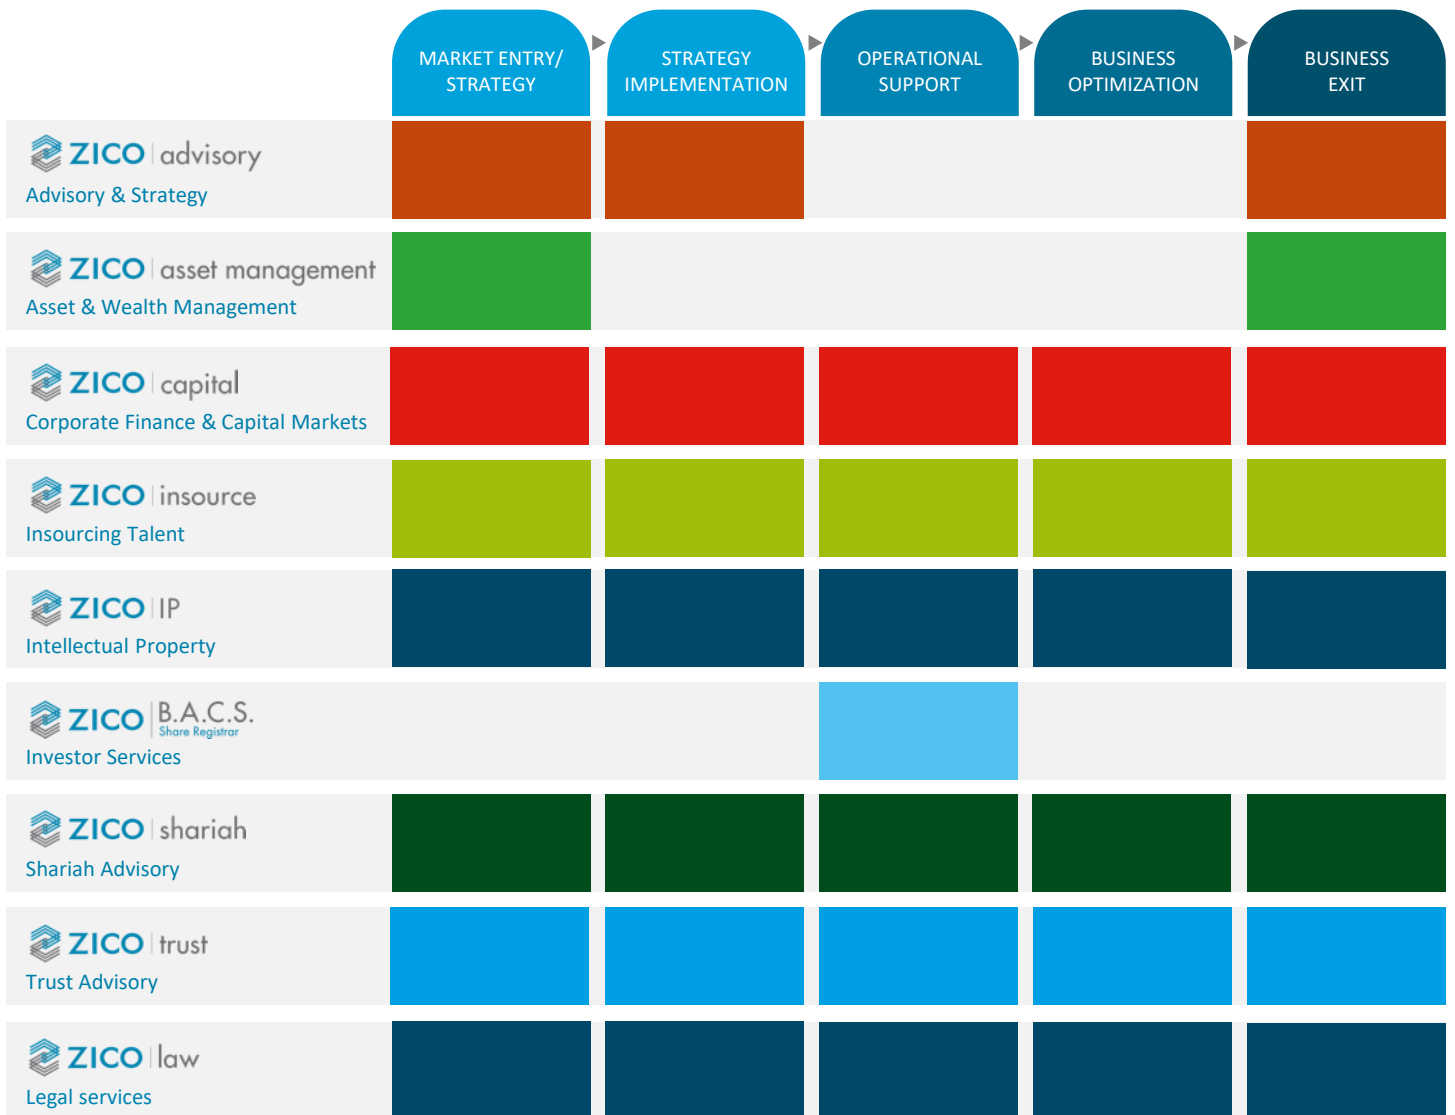

At ZICO, our commitment revolves around fostering enduring connections and trust with our clients. The essence of our approach is captured in the phrase “**Building Trusting Relationships through Innovative Solutions.**” We prioritise your needs, emphasising open and transparent interactions to establish a foundation of trust. Our dedication to innovative solutions reflects our agility and a commitment to delivering personalised services that go beyond the ordinary. With a profound understanding of the intricacies within the ASEAN market and a strategic presence in key countries, we aim to be your reliable partner.

# We believe in ASEAN.

*“We believe ASEAN is a major economic force and a driver of global development. We believe our origins, capabilities and behaviours can significantly help people, places and ideas connect, contributing positively to ASEAN’s overall development that will benefit all.”*

## Services throughout your company’s business life cycle

A hub of integrated services: from market entry to exit, we deliver leading-edge solutions to help our clients grow, take-off into emerging economies, and defend against risks, thereby consolidating our regional position within the ASEAN market.
